**In alignment with our mission, we at Galaxy feel it is important to create opportunities for our clients, and others with disabilities or deficits, to shine. Our mission extends to our marketing and outreach budgets. Instead of billboards, bulk mailings, and box ticket suites, we put our marketing budget where our mission is -- providing our clients an opportunity to display their many talents and develop lifelong skills.**

By giving back to the community in which we live and partnering with other Galaxy sponsors with similar missions, together we are able to be a part of a special event that forever impacts the clients we serve.

This event is not just for Galaxy clients but for ANYONE with a disability. Please help us spread the word so that individuals with disabilities learn about this amazing opportunity to earn money and be filled with joy as they are praised by the public for all that they are able to create, develop, and accomplish.

This is our way to CELEBRATE DIVERSITY AND DIFFERENT ABILITIES!
